World Powerlifting Approved Equipment
2020 Catalogue (AUD)

Samtek®

Samtek is an international supplier of ultra high quality Powerlifting and Weightlifting equipment. Our brand is about precision, Enhanced Chip resistance steel discs, non-rust* ultra-strong bars and lighter but tougher combo racks, all at competitive prices.

International

We ship our products to most countries with insurance and tracking to make sure your product arrives safe and undamaged

Precision

We use high precision equipment to assure the accuracy to 0.1% of weight for each product for official competitors

Enhanced Chip Resistance & Non-rust*

Our products meet the specifications of the major PL federations, including exclusive approval by World Powerlifting

Ultra-strong & tougher

We have designed our products with higher strength-to-weight ratio and improved slim design and stiffness
